We are pleased to welcome you to our office. New patients are always appreciated. Our practice has grown as a result of its excellent relationship with our referring doctors and patients. As our patient, please feel free, at any time, to ask any questions or to express any concerns. In order to assist you in payment for your treatment the following options are listed. Please read them carefully and feel free to discuss them with us.

*IF YOU DO NOT HAVE INSURANCE*, payment is due in full at the time treatment is provided. For your convenience, financing is available upon credit approval. Please inquire with one of our patient representatives for details.

*IF YOU HAVE INSURANCE*, we will be happy to submit your claim to your insurance carrier for you. You are responsible at the time of your appointment for any deductible, co-payment, or benefits not covered by the insurance company. If the exact amount covered by your insurance cannot be determined at the time of your appointment, we request that you pay your deductible and one third (1/3) of the remaining cost of your treatment. Once our office has received payment from the insurance company, you will be billed with terms of 30 days for any amount still owed. If there is a payment credit, a check will be issued to you within 30 days.

**PLEASE READ CAREFULLY:** We will make every attempt to verify your insurance benefits for you. **PLEASE NOTE:** We can only estimate your coverage, dependent on information your insurance company provides us. Therefore, you may have a balance remaining after your claim has been paid. The amount paid by your insurance company may be based on the insurance company's own reduced fee schedule for oral and maxillofacial surgical services and may be less than actual charges, resulting in lower coverage. We have no control over this situation. Insurance companies rarely reimburse the full amount, paying 50-80% of the cost. This office quotes current fees well within usual and customary ranges. We are happy to file insurance claims for you as a courtesy; all fees quoted are the responsibility of the patient, regardless of insurance. **PLEASE BE ADVISED THAT WE CANNOT WAIVE CO-PAYMENTS. WE ARE REQUIRED BY LAW TO COLLECT ANY AND ALL CO-PAYMENTS.**

I hereby authorize and instruct \_\_\_\_\_ Insurance Company to make payment by check of any authorized insurance benefits on my behalf to the provider of service listed on the claim.

Or

If my current policy prohibits direct payments to a medical provider, then I hereby instruct and direct you to make out all check payments to:

\_\_\_\_\_ (patient's name) and mail to the provider of service listed on the claim.

**AUTHORIZATION AND RELEASE**

I authorize and request my insurance company to pay directly to the oral surgeon group insurance benefits otherwise payable to me. I authorize the doctor to release all information necessary to secure the payment of benefits. I authorize use of this signature on all insurance submissions. I understand that I am financially responsible for all charges whether or not they are covered by insurance.
